All such forward-looking statements are intended to provide management's current expectations for the future of Altair based on current expectations and assumptions relating to Altair's business, the economy and other future conditions. Additional information regarding the factors that may cause actual results to differ materially from these forward-looking statements is available in Altair's filings with the SEC, including the risks and uncertainties identified in Part I, Item 1A—Risk Factors of Altair's Annual Report on Form 10-K for the year ended December 31, 2023 and in Altair's other filings with the SEC.
